NB* Whilst every reasonable care and supervision is used, dog grooming is very physically demanding and a hazardous job. You are advised to seek your GP's advice before embarking in such work. There will be some heavy lifting involved (25kg) and

standing for long periods together with the unpredictability of some dogs. Leicester Dog Grooming Courses cannot take responsibility for any injury caused through recklessness or negligence by the learner.

All information supplied to Leicester Dog Grooming Courses is confidential. We will not lend, sell or pass any personal information on to any third party.
